FREQUENTLY ASKED QUESTIONS

- Q. Who is a railroad employee?
- A. FRA defines an employee for purposes of filling out this form as a Worker on Duty-Railroad Employee; Employee, Railroad Employee not on duty; Worker on Duty-Contractor; or Worker on Duty-Volunteer. If you fit into any of these categories, you are a railroad employee for purposes of filling out this form.
- Q. Do I have to fill out the form?
- A. No. Neither the railroad nor FRA requires you to fill out this form. Employee statements on this form are voluntary and optional, not mandatory, and deciding not to send this form to FRA and the railroad does not imply that the employee admits or endorses the railroad's conclusions as to the cause of the accident or any other allegations. See 49 C.F.R. 225.12(g).
- Q. Will my statements remain confidential?
- A. Information that the employee wishes to withhold from the railroad must not be included in this Supplement. If the employee wishes to provide confidential information to FRA, the employee should not use the Supplement form (part II of Form FRA F 6180.78), but rather provide such confidential information by other means, such as a letter to the employee's collective bargaining representative, or to the Office of Safety Assurance and Compliance, Federal Railroad Administration, RRS-10, Mail Stop 25, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590. The letter should include the name of the railroad making the allegations, the date and place of the accident, and the rail equipment accident/incident number.
- Q. Is this form part of the railroad's accident report to FRA, and as such, may it be used in private litigation?
- A. No. This form under 49 C.F.R. 225.12 is part of the railroad's accident report to FRA pursuant to the accident reports statute and as such shall not "be admitted as evidence or used for any purpose in any suit or action for damages growing out of any matter mentioned in said report..." 49 U.S.C. 20903. See 49 C.F.R. 225.7(b).

Willful false statements can result in imposition of civil penalties.

This collection of information is mandatory under 49 CFR 225, and is used by FRA to monitor national rail safety. Public reporting burden is estimated to average 10 minutes (Part I) and 1.5 hour (Part II) per response, including the time for reviewing instructions, searching existing databases, gathering and maintaining the data needed, and completing and reviewing the collection of information. The information collected is a matter of public record, and no confidentiality is promised to any respondent. Please note that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2130-0500.
