QUESTIONS AND ANSWERS

Q1. The only information provided to the railroad was the employee's name and Employee ID Number. Further attempts to complete the other data elements were rejected by the employee and/or his or her attorney. Does this meet FRA requirements?

A1. Yes. The railroad should continue to complete all the data elements when the information becomes available and should make a good faith effort to obtain the information. However, the railroad is not expected to continue this effort past December 1 of the year that follows the date on which the railroad first received a claim of the illness.
